

Announcement

The results of the 14th International Krappy Kamera Competition are in. Juror Rod Slemmons viewed over 1400 images to arrive at his final decisions. After days of viewing and sorting we are proud to present the following list of winners with notice of special award winners. International winners' countries are printed in **RED**. The work was of exceptional quality this year and I'm sure you'll find your favorites when you come to view the exhibit. The show opens on March 7th with a blow-out reception on March 8th from 6 - 8pm. All are invited. I am proud to present the 43 winning artists and hope to see you all at the gallery in March 2012.
