

Announcement

The results of the 10th National Krappy Kamera Competition are in. Juror Jill Enfield pored over close to 1200 images to arrive at her final decisions. After 7 hours of arranging, re-arranging and sorting we are proud to present the following list of winners with notice of special award winners. As a reminder to all who entered and did not win...you are all winners. Every print will be on display in our guest gallery in our 2nd Krappy Kollage...a floor to ceiling installation of all submissions. The work was of exceptional quality this year and I'm sure you'll find your favorites in both the formal display on the ground floor and in the giant Kollage upstairs. The show opens on March 4th with a blow-out reception from 6 - 8pm.

I am proud to present the 50 winning artists and hope to see you all at the gallery in March 2008.
