

what queer theory and intersectionality are all about. March 1 & 5 (6pm). More: [QCanterbury](#). * *Starring Aurora Borealis*. Dr. Sketchy's Anti-Art School presents a life drawing class like no other - drinking, drawing and drag! March 7 (7:30pm). More: [Sketchy](#). * And there is rugby, running, swimming and yoga... Aha, and a high tea. More: www.chchpride.co.nz.

Qrowdfunding

Last month's results. * Artist designer **John Mavroudis** -of **Brentwood** (CA)- succeeded raising \$ 5k for his *Harvey Milk: Hope is never silent* limited edition silk screen print made up of the names of more than 150 people from LGBTQ history. More about his art: www.zenpop.com.

* Raising almost \$ 16k -twice the original target of \$ 8k- **Jay Bell** (&co) can start the production of *Something Like Summer* a collection of comics about two boys in love -after his award winning novel. Check www.gaywebcomics.com. *

Pur suit. NYC student **Alin Dragomir** is looking for \$ 13k for her reimagining of Catherine Opie's Dyke Deck. But with only three weeks to go it is not looking good. Thus far nobody is backing her. Check

her call: [Indiegogo](#). * And **London** based queer art gallery *Mimosa House* didn't succeed in raising the £ 6k for *Sunday Fantasy*, a new erotic film from a female and *queered* perspective by filmmaker **Amy Gwatkin** and artist **Zoe Williams**. It was scheduled to be part of an exhibition in May (let's wait and see: more in GLIMP! X # 5). # New Calls. *

Photography after Stonewall celebrating the 50th anniversary of the uprising is a show scheduled to take place in June at *Soho Photo Gallery* in **NYC**. It will show works by two dozen photographers. The gallery would like to extend the print run of the accompanying book that will include some essays on the photographic legacy of Stonewall and its influence on creative photography. One of the contributors is **John Paul Evans** – see also **Pride**

Photo- They're trying to raise \$ 8,5. And with only a week or so left take a quick look at [Indiegogo](#). (pic: *Gay Liberation Monument* NYC. Photograph **Robert Kalman**).

* Young Dutch photographer **Ruben van Schalm** has been travelling the world in search of paradise. Taking pictures in Greece, Holland, Israel and beyond. We've written about his *The Barbadian* project in GLIMP! (VII # 8) before. He is now compiling *Paradise* a volume of these photographs. For this large format photobook, due in December, he is looking for € 10k. Check his [Kickstarter](#). * **Paul Mpagi Sepuya** -See also **News-US**- joined the artists supporting the Fire Island Artist Residency (the first in the US for LGBTQ artists) by donating a work of art -again- to be sold in support of the residency.
