A portfolio is a cohesive body of 12 to 20 **individual prints** (no books or files, please) representing a distinct theme or an on-going project illustrating:

- your skill as a photographer
- your ability to edit your prints
- your ability to present exhibition-quality prints

Your prints should be sized according to your vision. We are looking at print quality, so if your exhibition prints are oversized, we need to see at least one that size, the rest can be smaller (no work-prints please). Submit your prints unframed, but appropriately matted or presented according to your vision, as though you were preparing for an exhibition. If you plan to display your work in any manner other than traditional framing, please give us a very brief description of what you intend to do.

Include a brief statement about the portfolio describing:

- your vision
- what makes your work and/or its presentation unique
- your techniques, and anything else you think is relevant to generating viewer interest in your work.

Include a \$50 non-refundable deposit with your portfolio. The deposit will be credited towards your first year’s dues if approved for membership.
